

Jane Carstens
The Matchmaker

I represent an attractive, stylish, physically fit, intelligent, creative, successful professional, yet down to earth woman who is currently searching for a partner with whom to share her life.

Adventuresome and fit, she attends the gym regularly, enjoys running, hiking and counts golf as her new favorite sporting activity. When home she enjoys an urban lifestyle, entertaining, gardening, attending concerts, the theatre and spending time with family and friends.

She would like to meet an energetic, outgoing and fun 45+ gentleman who shares her interests, passions, and enthusiasm for life.

If you believe our client matches your interests please email, or call me quoting VS #1201 for a personal and confidential interview at our Yaletown office.
