She has a love for both sea and country and although resides in the Toronto area, would be willing to relocate. She has a very positive and thoughtful nature and believes that laughter is the best medicine.

Our client is interested in meeting a like-minded, intelligent gentleman who is fun and loving. He should be self-assured, get along well with people and enjoy nature and the outdoors. She would like him to be a good communicator, affectionate, well groomed, family oriented, possess a good sense of humour and enjoy all that life has to offer. Age 50's to 60's
