

Beautiful Blonde Lawyer Seeks Love

I currently represent a very beautiful active successful blonde, blue-eyed, athletic and fit early 30's Calgary Lawyer who is searching for a partner to share similar interests.

She enjoys camping and the outdoors, hikes in and around Kananaskis, Canmore, Banff, cross-country skis at Peter Lougheed, Banff and Jasper, and down hills at Sunshine. She bikes the roads around Bragg Creek, works out at the gym, runs and practices Yoga. An ardent sports fan, she follows the CFL and NFL leagues closely, and is a Stamps and Flames fan. She enjoys cooking and entertaining at home, or meeting up with friends on 17th Ave. for drinks and dinner, a movie or live theatre performance.

My client would like to meet an active 32 to 45 gentleman who shares her vibrant lifestyle and positive outlook on life.

If you believe my client matches your interests please email or call quoting CH#0622 for a personal and confidential interview in Calgary.
