Executive Private Search

Our company represents a successful, handsome, energetic, Jewish professional who is new to Vancouver. He would like to meet an attractive, intelligent woman to share the varied interests in his active life. He is well-traveled, well read and loves exploring big city culture, good music, and lively conversation. He is physically fit and participates in many outdoor activities.

Our client would like to meet an articulate, literate, passionate, worldly, physically fit and active woman in her 40's who shares his love of life, laughter and who is possibly, but not necessarily Jewish.

If you are interested in finding out if this sincere gentleman is for you please write, fax, call or email quoting #G1008 for a personal confidential interview with Jane Carstens.
