

PRIVATE SEARCH

Our company represents a handsome, successful, semi-retired BC gentleman who is in search of a dynamic woman to share their mutually active interests.

Tennis, hiking, biking and golf are just some of the activities that keep him fit. While he holds a passion for travel, he also enjoys spending time with friends and family, entertaining at home, dining out, dancing, and attending the theatre.

Our client would like to meet a high energy, active, successful, woman in her mid 50's, who is intelligent and has a great sense of humor. She should be physically fit & active, have the freedom to travel, and share his enthusiasm for adventure.

If you feel our sincere and committed client matches your criteria for a partner in a loving and lasting relationship please write, call or email quoting #VS123 for a personal confidential interview with Jane Carstens.
