PRIVATE EXECUTIVE SEARCH

Our company represents an intelligent, vivacious, articulate lady. She loves exploring faraway cities, getting lost in a good book, swimming in a cold lake on a hot day, bicycle trips, CBC Radio, musical and dramatic theatre, good conversation along with a fine glass of wine, and being in the excellent company of the people she cares about.

Our client is interested in meeting a gentleman whose life is full of interests and activities that inspire him, travel that stimulates him and family and friends he adores. She would like him to be smart, well read, kind and physically active. He should love to laugh, be easy going, affectionate and looking for a partner to continue enjoying life with.

Age 50 to early 60's
