Our company represents a very attractive, intelligent, educated lady with a happy positive disposition. She enjoys summer activities such as tennis, swimming, bicycling and also skiing and skating in the winter. Both her profession and leisure time is enjoyable and important to her.

Her interests also include dining out, wine, cooking, art and travel. She also likes to attend movies, theatre, sporting events or going for walks.

Our client is interested in meeting a like-minded, self confident, intelligent gentleman who has similar interests and values. He should have integrity, be friendly, sociable, possess a good sense on humour and enjoy the finer things in life.
