WEST COAST BEAUTY

Our company represents an attractive, vibrant, intelligent and spontaneous lady. She is passionate, creative, loving, sociable and has much to offer a life partner. Her many interests include health and fitness, performing arts, dancing, traveling and good conversation. She is looking for a best friend and partner to embrace the journey of life. Our client is interested in meeting a charismatic, romantic, intelligent and compassionate gentleman. He should be confident, active and believes that a happy relationship is a long conversation, which always seems too short.

Age: 40's to 50's

If you are looking for a lifelong partner and are interested in seeing if this exceptional and feminine lady is for you, please call or email quoting GM0718 for a personal and confidential interview with Kim Sibbald.
