PRIVATE EXECUTIVE SEARCH

Our company represents an attractive, confident and intelligent Ottawa lady. Her varied interests include scuba, sailing and everything else near the water, as well as relaxing with friends and family over good food and lively conversation. She enjoys reading, old movies, listening to music, walking, garden puttering and the outdoors. She is a very affectionate person, and has a dry sense of humour.

Our client is interested in meeting an intelligent, outgoing, self-assured, active and like-minded gentleman. She would like him to be sociable and possess a good sense of humour. He should have integrity and be family oriented, passionate about his interests, yet takes time to have fun.

Age 55-65

If you are looking for a lifelong partner and interested in seeing if this exceptional and romantic lady is for you please email or call quoting #10129 for a personal interview with Ruth Claramunt.
