

## Beautiful Lady Seeks Classic Gentleman

Our company represents an attractive, intelligent, successful lady with a passion for life. She is very happy, easy going and loving with strong values. Her interests include long walks, live theatre, concerts, traveling, dining and good conversation. She also enjoys spending quality time with her family and friends and peaceful evenings at home as much as a night out.

Our client is interested in meeting a like-minded, intelligent gentleman with good values who enjoys nature and being active. She would like him to be a good communicator, well groomed, family oriented, possess a good sense of humor and a real zest for life!

**Age: 60's to 70's**

If you are looking for a life partner and are interested in seeing if this exceptional and dynamic lady is for you, please call or email quoting VCT-0728 for a personal and confidential interview.
