Her many interests include classical music, opera, theatre and fine dining. She also enjoys reading, movies, good conversation, walking, the country and travelling to interesting places.

Our client is interested in meeting a like-minded, intelligent, self assured, worldly gentleman. He should enjoy life and all it has to offer and also possess a good sense of humour. She would like him to be kind, warm and romantic, positive, outgoing, enjoy the arts and music and enjoy socializing.
