### PRIVATE EXECUTIVE SEARCH

Our company represents a highly intelligent attractive, accomplished lady. She has a wonderful warm, outgoing personality and a great sense of humour. Her many interests include classical music, concerts and the arts in general. She also enjoys travelling, dining out, socializing with friends and good conversation. She also has an interest in playing the piano, the New York Times crossword puzzle and playing a friendly game of bridge and even growing a vegetable garden.

Our client is interested in meeting a like-minded, self assured, intelligent, kind, considerate gentleman. He should be warm and romantic, positive, and a good communicator. It would be nice if he enjoyed the arts and music.

Age 50's to 60's
