### PRIVATE EXECUTIVE SEARCH

Our company represents a handsome, intelligent, successful, professional gentleman with a sense of adventure. He is a hardworking guy who likes setting goals and driving hard to achieve them. His many interests include travelling, dining out, boating, skiing, movies and music. He is spontaneous and likes being active but also takes time to relax, enjoying both city and cottage life.

Our client is interested in meeting an intelligent, self assured, attractive, feminine, classy lady who loves to laugh. She should have some similar interests, be positive, warm, genuine, sensitive, grounded, and reliable, possessing a positive attitude.

Age 20's to early 30's.

If you have similar interests and you are looking for a lifelong partner and you are interested in seeing if this exceptional gentleman is for you, please Email or call quoting #9678 for a personal interview with Ruth Claramunt.
